“ To my ride or die. You were always ready to do anything, whether it was a random road trip or binge watch a movie or tv show. You were always there for me and my family. I can never repay you for the amount of love and care you gave my kids. You were an amazing Tia, cousin and best friend. I will miss and cherish all the memories we had. God took you away from us and I don't know why? All I know is heaven gained one extraordinary angel with heart of gold. We were more than just cousins we were sister for life. I love and miss you more than you could ever imagine! 💜🌸💜
