“ I was shocked and saddened to learn of Yvonne's resurrection. However, she is watching all of us from above. My testimony of her is several. I went with her and Alicia Pena to Port Aransas for some beach and scrumptious seafood. We also had some pool and al fresco at another time. Once, we ran into each other at an airport, but not flying on the same plane. She told me she would send me a picture of the portable iPhone charger, and so she did. Her inner spirit, compassion, and joy for life are what I will remember of her forever.

“ Yvonne's warm inner spirit was evident in her beautiful smile and positive presence. I remember when Yvonne retired from TCSD, she said she knew it was time, because she wanted to care for her parents. May Yvonne be at forever peace and a beam of constant Light and hope for her family.

“ *I first met Yvonne at Travis County Services for the Deaf. I have known her for over 30 years and have always thought of Yvonne as a beautiful person both from the outside and within. She had a great soul and a beautiful smile. Every time I would see her there was always a laugh or smile to share. She was truly a blessing to me and others. She will be missed by many. 😭 God bless! 🙏.*

*Yvonne. Her name conjures up memories of a woman of joy, sweet temperament, and patience. A pure professional and a decent human being to her marrow. Her loss will be felt long after she is gone within the field. God's Peace.*
