

Zahair Matteo Williams

February 10, 2021 - August 14, 2021

Zahair Matteo Williams, a precious son, grandson, and nephew, was born in San Antonio, Texas, and passed away unexpectedly at six months old.

Zahair is survived by his mother, Christa Junker, his father, Ronald Williams, his big sister Mckenna, his grandmother and grandfather, Shea and William Junker, his three aunts, Sarah and Carrie Junker and April Williams, and his two uncles Brent and Jed Junker.

Zahair was born on February 10, 2021. Although he had a short time on this planet he loved to be held and cuddled. His favorite thing was to be swaddled in his blue plaid blanket and snuggles from mommy after a warm bottle. Baby Z was drawn to the color blue and hated bathtime. Zahair loved to suck on his fingers and get as many sounds in a day as he could. Baby Z loved to try new foods with daddy and spend time with his big sister, Mckenna, and laugh when she would have to do time outs. He will be forever loved and missed by countless friends and family members.

“ I remember waking up to your smile every morning. I remember every kiss. I remember how your soft hands felt in mine. I remember like it was yesterday. Now it has been 4 years since you went to heaven and I still feel you all around me. I still see you in all the beautiful parts. The mark you left will always remain. And I will spend the rest of my days on this earth preparing to hold you again. I love you so much. -mommy
