

Zelda Mae Williams

January 8, 1936 - September 19, 2025

Zelda suffered a stroke on Jan 2 nd 2024, which caused Vascular Dementia and left sided deficits that she could not overcome. She passed away peacefully with her family by her side to be with the Lord on Friday, September 19, 2025. Though our hearts are broken we are all at peace knowing that she is whole again. She is reunited with so many families and friends that went before her, but most of all she is reunited with the Love of her Life, her husband of 41 years, Bill Williams. She will also be united with her youngest granddaughter Linzee Williams.

Zelda will be loved and remembered by her 3 children and their families as well
